A Guide To
Traffic
Division

The Traffic Division for the First Municipal District handles traffic tickets within the city limits of Chicago. The Division is responsible for maintaining records and collecting fees and fines for all cases involving City of Chicago moving violations, conservation cases and 15 other local agencies. The Division DOES NOT HEAR matters relating to parking tickets or other non-moving violation tickets. The First District Traffic Division handles 750,000 cases on average annually. The Division hears cases in accordance with Illinois Supreme Court Rules and Illinois Compiled Statutes.

General Information regarding Driving Under the Influence (DUI)

- Persons charged with a DUI offense automatically receive a suspension of driving privileges in Illinois, known as a statutory summary suspension. In addition to the suspension imposed by the Secretary of State, such persons also face a fine, imprisonment or both if convicted.
- People charged with a DUI offense have the option of seeking Judicial Review wherein a petition can be filed before a judge to rescind the statutory summary suspension. In most cases this petition must be filed no later than 90 days after the date of issuance. It must be based on specific grounds as provided in the Illinois Compiled Statutes. It must be in writing and may be filed with the Clerk of the Circuit Court before the first court date.

Criminal and Traffic Expungement Sealing Guidelines

- Under specific circumstances, Illinois law allows felony, misdemeanor or municipal ordinance violation records in Criminal and Traffic cases to be expunged or sealed. This law is designed to let people clear their records with or without an attorney.
- If you qualify, your records will either be expunged or sealed by law enforcement agencies and the Clerk's Office.
- "Expunged" records are destroyed. "Sealed" records are closed and restricted from public access, but are not destroyed. If you are not eligible for expungement of your records, you may be eligible for sealing of your records.

Court Diversion Program

Should you be charged with a traffic offense that is eligible for the Court Diversion Program, the officer will not assign you a court date but rather indicate on the face of the ticket that you must go online to www.cookcountyclerkofcourt.org or mail-in your request. This program provides you with three (3) options:

Option A - Plead guilty, pay the fine and the conviction will be reported to the Secretary of State.

Option B - Plead guilty, register for Traffic Safety School, pay the fine and fee and a conviction will only be reported to the Secretary of State if you do not successfully complete Traffic Safety School. (Traffic Safety courses are available online)

Option C - Plead not guilty and request a court hearing. Your assigned court date and courtroom location will be e-mailed when choosing online or mailed to you.

For your convenience, if you do not have internet access, the form and the fine or fee may be mailed to the Clerk's Office in the envelope provided by the officer or you may use our convenient Drop-Off Box located in the Clerk's Office.
